

# AMIT NISHAD

Full Stack Developer | .NET & Angular Specialist

+91 97251 48435 | amitnishad926@gmail.com | [LinkedIn Profile](#)

## OBJECTIVE

Results-driven Full Stack Developer with 6 months of professional experience in .NET and Angular, seeking a challenging role to leverage my technical expertise and deliver scalable enterprise solutions while staying current with emerging technologies in the IT sector.

## EXPERIENCE

### Software Developer – Full Stack (Intern)

6 Months

#### Codex Lancers

- Developed and maintained full-stack enterprise web applications using ASP.NET Core and Angular
- Designed and built RESTful APIs in .NET, consumed via Angular frontend with TypeScript
- Worked on HRM, CRM, and Workforce Management modules during the internship period
- Managed SQL Server databases — schema design, stored procedures, and query optimization
- Collaborated in Agile sprints, code reviews, and daily stand-ups with cross-functional teams

## EDUCATION

| Degree | Institution                                      | Year     | Result    |
|--------|--------------------------------------------------|----------|-----------|
| MCA    | Sarvajanik College of Engineering and Technology | 2026     | 8.18 CGPA |
| BCA    | SDJ International College                        | Feb 2024 | 7.61 CGPA |

## SKILLS

**Frontend:** Angular, TypeScript, HTML5, CSS3, JavaScript, Bootstrap

**Backend:** ASP.NET Core, .NET Framework, C#, RESTful APIs, PHP

**Languages:** C, C++, Java, C#

**Database:** SQL Server, MySQL, Oracle, Stored Procedures, Query Optimization

**Tools & Platforms:** Visual Studio, VS Code, Git, GitHub, Postman

**Soft Skills:** Communication, Teamwork, Leadership, Problem-Solving, Critical Thinking

**Languages Spoken:** Gujarati, Hindi, English

## PROJECTS

### HRM – Human Resource Management System | [ASP.NET Core](#) · [Angular](#) · [SQL Server](#)

- Built an end-to-end HR platform covering employee onboarding, attendance, payroll processing, and leave management
- Designed role-based access control (RBAC) for HR managers, employees, and admin roles
- Developed RESTful APIs for employee records and integrated them with an Angular dashboard

### **CRM – Customer Relationship Management System** | [ASP.NET Core](#) · [Angular](#) · [SQL Server](#)

- Developed a full-featured CRM to manage leads, client interactions, follow-ups, and sales pipeline tracking
- Implemented real-time status updates and notification triggers for sales team workflows
- Built reporting modules with dynamic filtering and exportable summaries

### **FierceLearning – Online Learning Platform** | [.NET](#) · [Angular](#) · [SQL Server](#)

- Designed and built a feature-rich e-learning platform with course management, video content, quizzes, and progress tracking
- Implemented student and instructor portals with separate dashboards and role-based permissions
- Integrated subscription and enrollment flows with admin controls for content publishing

### **ISA – Indian Society of Anaesthesiologists Website** | [ASP.NET](#) · [Angular](#) · [SQL Server](#)

- Developed the official website for ISA, a national medical professional organization
- Built member registration, event management, journal listing, and news publication modules
- Ensured responsive design and accessibility for a diverse national audience

### **Workforce Management Software** | [ASP.NET Core](#) · [Angular](#) · [SQL Server](#)

- Built a workforce scheduling and task allocation system for field technicians and support staff
- Included shift management, attendance tracking, and real-time job assignment features
- Developed manager dashboards with productivity analytics and reports

### **Transport Company Management System** | [ASP.NET Core](#) · [Angular](#) · [SQL Server](#)

- Designed a comprehensive platform for managing fleet, bookings, routes, drivers, and billing
- Implemented vehicle tracking integration and automated trip assignment logic
- Built client-facing booking portal and admin panel for operations management

## **EXTRA-CURRICULAR ACTIVITIES**

---

- Managed & organised multiple college events – logistics, execution, and on-ground management for technical and cultural events
- Marketing Head – Vivacity, SCET – Led promotions and outreach to boost event visibility and student engagement
- Head of Konnect Club – SDJIC – Directed club operations, event planning, and student coordination

## **HOBBIES**

---

- Word Puzzle Enthusiast – Strategic games that sharpen problem-solving and language skills
- Fitness & Outdoor Activities – Daily workouts, cycling, and activities promoting physical and mental well-being
- Cultural Engagement – Active participation in Garba & Dodhiya competitions
